

## PRESS RELEASE

### Paradise Entertainment to showcase new products at Macau Gaming Show 2016

**Hong Kong – November 2, 2016** – Paradise Entertainment Limited (SEHK: 1180) ("Paradise" or "the Company") announced that its subsidiary LT Game Limited ("LT Game"), a Macau's leading electronic gaming solutions provider, will be attending the Macau Gaming Show ("MGS") in The Venetian Macao Cotai Expo from 15-17 November, 2016. MGS is one of the largest annual exhibitions for gaming companies around the world.

The Company will exhibit a variety of its products at **Booth #AP19** and visitors will be able to learn, how the company's latest innovations will benefit casino operators in further improving game efficiency and provide casino patrons a revolutionary gaming experience. The key highlights on LT Game's booth include all the latest Live Multi-Gaming ("LMG") products, as well as brand new Electronic Table Gaming ("ETG") products such as Virtual Horse Racing Game and LT Game FAFA Slot Machine which will be introduced to the market soon.

Some of these new products will be on display at LT Game's booth at the MGS 2016:

#### Virtual Horse Racing Game

LT Game provides a brand new Virtual Horse Racing Game with amazing visual content and variety of odds to enhance player's gaming experience. Virtual horse racing is an animated version of the thrilling races that take place at racecourses. It concurrently offers games to multiple players every minute. Like any betting, win are instant, with credit sent straight to the players. Most virtual horse racing results are generated at random; each horse has a different computer-generated likelihood of winning. Operators are taking full advantage of LT Game's unique product range on ETG category and players are enjoying an unparalleled betting and gaming experience.

### **LT Game FAFA Slot Machine**

LT Game FAFA Slot Machine is a Brand new product by LT Game Limited to launching by end of 2016. The machine is equipped with the newest and most innovative idea with 3D mechanism effect design, which takes players to the whole new playing experience with attractive feature games. All lighting is efficient and cool LED along with powerful sound system. FAFA Slot Machine designed amazing anime character and stunning animation. When players win a features game, players can enjoy the amazing animation with 3D mechanism virtual effect. It's a Fun and Entertaining Game to Play!

"We are thrilled to present our award-winning LMG-6 terminal, the newest Fast Betting Machine, brand new LT Game FAFA Slot Machine, Multi-Roulette terminal and the first ever Virtual Horse Racing Game. The new innovations showcased at the MGS is the result of our commitment to extensive market research and to listen casino operators that will address different patron needs across multiple markets," said Jay Chun, Chairman and Managing Director of Paradise Entertainment. "With our strong presence in Macau, our cutting-edge innovation and well-defined product differentiation, LT Game is positioned to become one of the world's unique gaming equipment and system supplier."

Visitors are welcome to stop by and learn more about the new and exciting ways that LMGs continue to innovate and revolutionize the gaming industry. We hope to see you there!
