

PARADISE ENTERTAINMENT DEPLOYS 70 LIVE MULTI-GAME TERMINALS AT CASINO DIAMOND IN MACAU

Hong Kong – February 17, 2016 – Paradise Entertainment Limited (SEHK: 1180) ("Paradise" or "the Company"), Macau's leading casino management and electronic gaming solutions provider, is pleased to announce that it has successfully deployed 70 Live Multi-Game ("LMG") terminals at Casino Diamond at Hotel Holiday Inn Macau, a SJM satellite casino located in the city center of the Macau Peninsula on 4th February 2016.

"We are pleased to work with Casino Diamond and glad to see our LMG terminals as part of their product offerings. LMG terminals are designed to increase efficiency and productivity, which provide the casino operators an ideal solution amid the current challenging business environment to manage operation cost effectively," said Jay Chun, Chairman and Managing Director of the Company. "We have deployed close to 3,800 LMGs in Macau up till now, which further demonstrates the growing popularity and acceptance of LMG for both casino operators and players. We believe our cutting-edge gaming machine expertise and operational capabilities will continue to lead the market and deliver solid performance."

Mr. Chun further added, "We continuously innovate and improve on our existing products. We believe the industry will continue to see strong demand for gaming machines and we want to be well-positioned to capitalise on such opportunity."
