

## **PRESS RELEASE**

### **Ainsworth Game Technology Limited and LT Game Signed Multi-Year Distribution Agreement**

Ainsworth Game Technology Limited (AGT) and LT Game are pleased to announce a multi-year distribution agreement has been signed providing AGT with exclusive distribution rights for the Fully Automated Multi Game (FAMG) system in New South Wales Clubs.

Danny Gladstone CEO AGT expressed his delight in partnering with LT game to distribute such a world leading product. Gladstone said "on many visits to Macau we have seen the growth and success of LT game in this market segment. They are now the market leader and set the benchmark in both live and simulated multi terminal gaming. We believe this product will provide the New South Wales Club market with a proven alternative in multi game, multi terminal marketing"

Jay Chun, Chairman and CEO of Paradise Entertainment commented, "We are delighted to be able to make available our Fully Automated Multi Game (FAMG) system in New South Wales Australia through the well regarded distribution channel of Ainsworth Game Technology Limited. With Ainsworth's impeccable reputation and market presence, we see this as a huge opportunity for LT Game. Our Live Table Games are already making big in-roads into the Australian casino market and the relationship with Ainsworth in New South Wales is a valuable means of expanding the product range and revenue stream for our group."

LT Game's Fully Automated Multi Game system merges the LT Game "live" table gaming experience and technology with the electronic gaming world. The LT Game platform allows players to wager on casino style games such as baccarat and roulette, from the privacy of a betting terminal. The FAMG platform can be linked to any game type (of which, presently 6 are available with others in development) and is able to be connected to an unlimited number of betting terminals. LT Game enjoys a significant market share in Macau for its "Live" gaming products and is now taking the suite of products internationally with recent placements in Malaysia, Australia, and the United States of America.
