PARADISE ENTERTAINMENT LIMITED AND THE PALAZZO CASINO LAUNCH LIVE MULTI-GAME TERMINALS IN THE UNITED STATES

Paradise Entertainment Limited is pleased to announce that its subsidiary, LT Game Limited ("LT Game"), a leading supplier of electronic multi-game machines and equipment in Macau and the Asia/Pacific, has launched its first deployment of patented Live Multi-Game ("LMG") terminals into the United States. The first batch of 24 LMG terminals have gone live inside the Palazzo Casino in Las Vegas on Friday, November 22nd.

Jay Chun, Chairman and CEO of Paradise Entertainment commented, "We are extremely excited about our inaugural machine sales installation into the Palazzo Casino in Vegas. We are confident that our patented LMG terminals represent a huge opportunity for U.S. based casinos to see tremendous supplemental revenue growth and organic demand from a new as well as underserved player base. U.S. casino patrons will find our hybrid, live dealer technology and collection of multi-table game offerings very diverse and their overall experience exciting and unrivalled."

In addition, LT Game has seen strong interest and demand for its LMG terminals from other U.S. casino properties and is confident in delivering a resilient order book for the year 2014.
